

# THE INTERIOR JOURNAL

ESTABLISHED 1860. NO. 48.

STANFORD, LINCOLN COUNTY, KENTUCKY. FRIDAY, JUNE 14, 1912

TUESDAYS AND FRIDAYS.

## SUBSCRIPTIONS NOW DO MORE THAN TRIPLE DUTY

Make Every Moment Count for We Guarantee that this is Positively the Largest and Best Offer of the Contest. This great inducement will come to a close on June 18th. So be up and doing every moment of the intervening time. You cannot afford to be inactive when there is so much at stake.

The greatest offer of the contest is now on and everyone who is at all interested in this race is working as they have never worked before. The contest is getting more and more exciting every day especially now that some of the dark horses have begun to force to the front and loom up as very strong possibilities.

Have you made up that list of friends, neighbors, relatives and acquaintances whom you have not yet approached. If you have not, you should do so at once and lose no time in getting into communication with them. Remember, also all those persons whom you saw earlier in the contest who put you off until a later date, communicate with all of these; explain to them that you get triple votes for your efforts now and under the circumstances they won't refuse to help you. It is bargain time in this record breaking contest and you simply cannot afford to fail to avail yourself in the fullest of this magnificent offer.

Get out and hustle for your favorite—let nothing prevent. This is your opportunity—gasp it—don't let it pass. If you have a telephone, solicit whatever subscriptions you can in that manner and then go and get them so that you may have the benefit of the triple vote offer. If you haven't a phone, cover as much ground as you can each day. Make every moment count from now until June 18th for now the reward of your efforts will be triple and 3,000 extra votes on every dollar.

### Six Prizes Offered

As explained in the last issue, we added six more prizes (three to each district) to the big prize list. These prizes consist of two beautiful writing desks, one purchased from J. L. Heazley and one from W. A. Tribble, two beautiful cream serge coat suits or silk dresses, purchased from Severance & Son and two of the famous H. B. Smith Fountain Pens. The contestants and their friends are invited to call at the stores where these handsome prizes were purchased and inspect them.

Until further notice, contestants may poll 20,000 votes in advance of the leader of the preceding issue.

See the beautiful diamond rings and watches on display at the store of the well known jeweler, Mr. W. H. Mueller of this city. The \$350 piano is on display at the J. J. Office. Call and see it.

### Winners of Extra Prizes

In the extra prize offer which closed last Monday night, Miss Bertha West and Miss Elsie Coleman won the Silver Sets and Miss Ada Wesley and Miss Lucille Crow the Fountain Pens in their respective districts.

### DISTRICT NO. 1.

|                            |        |
|----------------------------|--------|

| Miss Elsie Morris R-2    | 10,930 |
| Miss Annie Pollard       | 7,635  |
| Mrs. Dick Hamilton       | 19,560 |
| Miss Sadie Anderson      | 7,395  |

Another shipment of the wonderful wickless oil cook stoves at W. H. Higgins'. Put your order in early and be ready for the hot weather and the K. P. Fair.

## PRISON COMMISSIONERS APPOINTED BY GOVERNOR

The Long Drawn Out Contest For Coveted Plums is Now a Matter of History.

After weeks of suspense on the part of the numerous applicants for the jobs at the disposal of the Governor, the plum tree was shaken on Wednesday and Gov. McCreary announced his selections. Gov. McCreary finally decided upon Henry R. Lawrence, of Cadiz; M. F. Conley, of Louisville, and D. E. O'Sullivan, of Louisville, as the members of the new Board of Prison Commissioners. The new board will take charge of the State penal institutions at once.

It was generally conceded that Henry R. Lawrence would be a member of the Prison Commission and its probably chairman, but the other two named are distinct surprises. Up until the last moment it was believed that Judge F. A. Bullock, of Lexington; Henry M. Cox, of West Liberty; J. Norton Fitch, of Jessamine county; Urey Patterson, of Bowling Green, Senator Hubble of this county, were slated for places on the commission. While his many Lincoln county friends are sorry that Senator Hubble did not land, all agree that the governor exercised splendid judgment in his selections.

### New County Committee.

New county committeemen, composed of precinct committeemen, completing the re-organization of the party committee in the entire state, will be chosen by the Democrats of Lincoln county in November, after the election for President. The law as to the manner of selecting precinct and county committeemen is not changed by the new rules. The voters of each precinct will elect precinct committeemen, as heretofore. There was much talk heard in the Louisville convention, before the Organization committee made its report, to the effect that a rule would be adopted allowing the State chairman to name county chairmen who in turn would name precinct committeemen. The committee made no such report and the rumor was merely a rumor, with no foundation. The committee, it is said, did not consider such a thing.

The Lincoln County Medical Society will meet in Hustonville next Tuesday at 10:30 o'clock, June 18th. Drs. Singleton, Jones, Carpenter, and Childers are on the program. A full attendance is urged. M. M. Phillips, Secretary.

Sunday services at the Baptist church. Preaching at 10:45 P. M., subject "The Deaconship". There will be no preaching service at night Sunday school at 9:30 A. M. B. Y. P. U. 6:45 P. M.

### Help to Keep Down Expenses

Mrs. J. E. Henry, Akron, Mich., tells how she did so: "I was bothered with my kidneys and had to go nearly double. I tried a sample of Foley Kidney Pills and they did me so much good that I bought a bottle, and feel that they saved me a big doctor's bill. Shugars and Tanner."

Mrs. Lela Love, wife of Wiley Love, a farmer living near Covena, Ga., says: "I have taken Foley Kidney Pills and find them to be all you claim for them. They gave me almost instant relief when my kidneys were sluggish and inactive. I can cheerfully recommend them to all sufferers from kidney troubles." Shugars and Tanner.

### Wesley Embry

Stanford is watching with a great deal of interest, the work of Wesley Embry who was recently called to Frankfort to pitch in the Blue Grass League. The young man has pitched four games to date and won them all. His last victory was Wednesday when the Nicholasville team went to defeat before him by the score of 10 to 3. Embry struck out six men and allowed only five hits.

### When Buying, Buy Only The Best Costs no More but gives the Best Results

H. L. Blomquist, Esq., Wis., says his wife considers Foley's Honey and Tar Compound the best cough cure on the market. "She has tried various kinds but Foley's gives the best results of all." Shugars and Tanner.

For Sale or Rent.—McKinney Coal & Feed property. If not sold by the first of July will rent. This is the business part of the property consisting of one lot, 150 feet at railroad track, one coal bin 92 feet long, one warehouse 30x60 feet, another warehouse, office and scale building combined 24x52 feet, and a first class wagon scale in connection. Best piece of business property in the town of McKinney, first class territory for business, trade now established on Coal feed line cement salt, brick. For any further information in regard to this property, call to see or write E. O. GOOCH, McKinney, Ky.

## HEAVY DAMAGES AGAINST SOUTHERN RAILWAY

Jury Awards Casey County man Verdict For Injuries—Other Court News.

In the Circuit Court Wednesday, the C. N. O. & T. P. Railroad was hit a heavy jolt when a jury in the case of Grover Reed of Elliston, Casey county, gave a verdict against the company for the sum of \$6,000. While crossing the company's tracks near Milledgeville, this county last October, Reed was knocked from his buggy his skull fractured and his left knee and right ankle were badly mashed. He brought suit through his attorneys, Messrs. Harding and Rawlings of Danville for \$25,000. The case was stubbornly fought and ended with the verdict stated above.

D. C. and Clarence Sipple were fined \$15 for contempt of court. J. H. Boone on Thursday recovered \$210 in a suit against Mrs. Margaret Lynn over a timber contract. Julia Record Huffman was granted a divorce from her husband, W. D. Huffman upon the grounds of desertion. A number of other cases of minor importance were also disposed of, which was about the extent of Circuit Court business when the J. J. closed its report.

### Martha Adams Pennington

Martha Adams Pennington, infant daughter of Dr. and Mrs. T. W. Pennington, died at an early hour yesterday morning in Louisville, where the little one had been taken a week ago to be under the care of a specialist. From birth the child had been sick and every effort had been made by the fond parents to bring relief, but to no avail. The little body was brought home last night and the interment took place today in Buffalo cemetery. The unfeigned sympathy of a host of friends goes out to Dr. Pennington and his wife in their sad hours.

John R. Staton, Joyce, Ky. had an exceptionally severe attack of whooping cough. He says: "If it had not been for Foley's Honey and Tar Compound I would have been compelled to quit work. Instead, I never missed a day, and Foley's Honey and Tar Compound gave me instant relief and is the only cough medicine we ever use." Contains no opiates. Shugars and Tanner.

### Boy Scouts' Camp

Mr. Stanley Harris Secretary of Boy's Work for Kentucky was here Saturday in the interest of Camp Daniel Boone for boys located near Brooklyn Bridge on the Kentucky river. In the evening at the Presbyterian church he gave an interesting lecture on Boys and Boy's Work, accompanied by Stereopticon views of camp life. The camp was established by Y. M. C. A. workers and is operated and controlled by specialists on Boy's Work.

An outing at Camp Daniel Boone is of especial benefit to Boy Scouts. There are three periods of 10 days each. The first begins June 15th. Application for admittance should be made at once to Mr. Harris, Wilmore, Ky., care of Camp Daniel Boone or boys in the community make application through the local Scout Master, H. C. Carpenter.

### Former Lincoln Boy

King Swope, son of Mr. and Mrs. James Swope, of Danville, but formerly of this county, won the oratorical contest at Danville Monday night. "The Reign of Justice" was his subject. He spoke with the grace and ease of a natural born orator and his remarks were of a distinctly modern character. At the completion of his declamation the judges retired and Judge Z. T. Morrow, of Somerset, a member of the famous class '55 made a few appropriate remarks.

### Southern Railway

Popular excursion Sunday June 16, between Louisville, Lexington, Danville, Georgetown, Lawrenceburg Harrodsburg, Shelbyville and Versailles and intermediate stations in each direction.

\$1.50 between Lexington, Danville, Georgetown and Louisville for the round trip; tickets limited to return on date of sale. Proportionately low rates between intermediate stations.

Consult any Southern Railway agent of write H. C. King, CTA, Lexington, Ky., B. H. Todd, DPA, Louisville, Ky., J. C. Beam, AGPA, St. Louis, Mo.

### A Card.

This is to certify that Foley's Honey and Tar Compound does not contain any opiates, any habit forming drugs, or any ingredients that could possibly harm its users. On the contrary, its great healing and soothing qualities make it a real remedy for coughs, colds and irritations of the throat, chest and lungs. The genuine is in a yellow package. Look for Foley's Honey and Tar Compound and accept no substitute. Shugars and Tanner.

## SPLENDID WORK BY COUNTY S. S. CONVENTION

Sunday School Workers of Different Denominations In Annual Session.

(By Miss Pauline Hocker.)

The Annual Bible School Convention of all the Lincoln county schools met in the Christian church at Stanford, Thursday evening and all day Friday, June 6, and 7. In point of attendance, interest and liberality of the offering it far exceeded any previous convention. The Rev. Wm. Hopper led the devotionals. The County President, Mr. P. M. McRoberts, presided at the opening services, on Thursday evening, giving splendid address of welcome, showing that the organized Sunday school forces are the greatest power towards the prevention of crime in the world and this being true that the man who is really a good citizen will enlist at once in the Bible School and do all in his power to further it's work. Following a solo of great sweetness by Miss Elizabeth Higgins, Mr. Geo. A. Joplin the State Secretary delivered the address of the evening on "Is The Boy Worth Saving." The subject, he said was suggested to him when, several years ago he saw a baby boy snatched from the track of an on-coming train just in time to save his life. Since then he has asked over a thousand people if the boy is worth saving. Always, he says the answer has come unhesitatingly that he is. That his value is incalculable. Yet judging from the tremendous amount spent for drink, tobacco and the small sums expended for education, missions and the Bible school it would seem that people do not realize the tremendous damage they are doing to their sons and the sons of their neighbors, by this disproportionate spending. The Bible school saves the boy, therefore help it.

The all day session Friday was for the purpose of presenting to the schools the good points of the front rank standard, and urging its adoption as speedily as possible by all schools. After the preliminary business session, roll call, reports, etc., and the leading the devotionals by Rev. J. J. Dickey, Mr. Joplin explained the standard and spoke on the eradic roll. If every school has a cradle roll, he said, containing the name of every child under three years of age and if the school could keep these children, in twenty five years we would soon have the church problem solved, for the parents would be in the church and the next generation would know nothing about the terrible leakage with which we now have to struggle. Rev. P. L. Bruce said in regard to the organized adult Bible class that by virtue of the fact of its organization it stands for effective work, as it is an adult class it stands for maturity of aim and plans and the word "Bible" shows what it studies and stands for in scholarship. Mrs. Eliza Blain being absent, her paper on "How I Organized My Class," was read by the secretary. She told how organization had increased her class roll from twelve to fifty and her attendance from about eight to thirty and said she would not think of going back to the old way.

Mr. J. S. Hocker spoke on "Preparing For and Teaching an Adult Class," saying that the writer of the lesson, his purpose of writing, the person, time, place and spiritual truths of the lessons must be carefully prepared and brought out both by the lecture and question method. He advised a training course, commentaries, atlas and Bible dictionary as the best aids for the teacher. Like telephoning, he said teaching required two persons one to impart information and another to receive it.

Mrs. J. J. Dickey next gave an excellent talk on Teacher Training, recommending training the teacher by the Sunday school times and showing several charts and maps. She urged every delegate to start a class in his or her school, to be taught either by himself, the superintendent or pastor and to be begun even if only one besides the teacher will enroll.

She was followed by Rev. C. R. Blain, who told why and how missionary instruction should be given a Bible school. A wide awake missionary interest can be kept up if children from their earliest years are taught missions. This can be easily done by the superintendent giving missionary talks, singing missionary hymns, having some pupil tell the life of a missionary or about the work in some field, or supplementing missionary lessons for the quarterly reviews.

With his talk, and the benediction by Rev. H. Carpenter the convention adjourned until 1:30. The first subject after re-assembling was the "Graded Lessons," discussed by Mr. Joplin. He showed how the lessons were adopted to the needs of the child and as the child grew the lessons changed so as still to appeal to him and to keep him at work, thereby doing more for the growth in size and interest of the schools

than any other one thing. He was followed by Rev. D. M. Walker, who urged the custom of "Decision Day," for the schools. Every day he said should be an opportunity for a child to decide for Christ but if one day is set apart and the child has it constantly in mind for weeks before many more will make a decision.

Next Dr. J. G. Carpenter, the president of the Medical Society, gave an interesting talk on the prevention of diseases by better ventilation in homes, schools, churches, individual drinking and communion cups, proper covering for the head and clothing for the body and a strict observance of quarantine laws. It is a comfort to know that he intends to see to the enforcement of these laws and to punish offenders by arrests, fines, and imprisonment. Mrs. Iva Tucker spoke feelingly on "Winning the Boy" impressing the importance of it on teachers and speaking of the power one playmate could exert for the betterment of another.

One of the excellent speeches of the convention was made by the Rev. W. S. Willis, of Hustonville on the subject of "Living". This difficult theme he handled in a masterly way, showing how each denomination had profited by the work of the international Association and telling of the influence it had had on his life. He closed by asking that each school pay its apportionment, three cents for each pupil and 15 cents for each officer and teacher, cheerfully remembering the needs of destitute fields.

After such a talk and a few words by Mr. Joplin, needless to say, an offering was taken greatly exceeding any ever given here in times past. While the offering was being made, Misses Annie Rogers Powell and Frances Embry sang "Take My Life and Let it Be" so splendidly that it was one of the most impressive features of the convention.

"Temperance Instruction" was treated by Rev. J. J. Dickey as an essential to a successful Bible school. He recommended a printed pledge to hang on the wall of every church and to be signed by the pupils. "Remembering his written name hanging on the church wall has kept many a boy from drink," he said. Every teacher must be a total abstainer to make his influence and example what it should be.

This finished the talks on the standard and the remaining time was occupied by talks by Mrs. Henry Phillips and Miss Lucie Beagle on "Rowland and its Work" and the W. C. T. U. School at Hindman respectively. Both talks were good and pointed out important fields of work for Sunday schools. Then after a short "quiz" conducted by Mr. Joplin the afternoon session of the convention closed.

The evening service of song and the devotionals conducted by Rev. P. L. Bruce were followed by the report of the committees and a talk by Mr. Joplin on our standards or a general summing up of the topics discussed during the day.

It was a splendid convention in every particular. The music, under the efficient direction of Mrs. J. G. Carpenter and the leadership of Rev. D. M. Walker was beautiful and had required much work. To Mrs. Walker who played the organ is due the thanks of the convention for her promptness and faithfulness, as well as to Mr. Walker who presided all day Friday and saw to it that no part of the service was permitted to drag. Dinner was served to fifty three out-of-town delegates at Governor's restaurant.

The officers for next year are: President, Mr. P. M. McRoberts; Vice President, Mr. J. C. McClary; Secretary and Treasurer, Miss Pauline Hocker; Assistant, Mrs. G. C. Riffe; Superintendent Elementary Department, Miss Margaret Hocker, Superintendent Secondary Department, Mrs. Iva Tucker, Adult, Mrs. Gene Carpenter, Teacher Training, Mrs. J. J. Dickey; Organization, Mr. H. F. Surles, Visitation, Rev. C. R. Blain.

## PROF. T. W. SHANNON TO LECTURE HERE

Opportunity to Hear Former Lincoln County Boy—Now a Noted Speaker.

Prof. T. W. Shannon, a native of Lincoln county having been born near Moreland, but who is now a prominent citizen of St. Louis, Mo., will lecture at the Stanford Methodist church at 3 o'clock next Sunday afternoon on the following subject "The Making of the Man". This lecture will be for men only and boys over 14 years of age. At 8 P. M., Prof. Shannon, will deliver another lecture entitled "Heridity" to which all are invited. On Monday afternoon at 3 o'clock, he will lecture on "Teaching the Truth". All married people, young ladies over 14 years of age and school teachers especially are invited to hear this lecture. At 8 P. M. Monday, Prof. Shannon will deliver his final lecture, the subject of which will be "Present Day Problems". There will be no charges at any of these meetings but a free-will offering will be taken on Sunday afternoon at the meeting for men. All of these lectures will be delivered at the Methodist church.

The following extract is taken from the Washington Daily Herald which shows the impression made upon the people by Prof. Shannon: Few lectures have ever been delivered from local platforms of greater force and moral persuasion than those given by Prof. T. W. Shannon. A. M., of Fredericktown, Mo., world renowned lecturer on Purity and Sex problems, in this city Sunday and Monday.

Sunday morning Prof. Shannon preached at the First Baptist church and Sunday night at Grace M. E. church. His Sunday night lecture on the important subject of "Heridity" ought to have been heard by every man and woman of the town.

The speaker produced incontrovertible arguments for the importance of heredity, emphasized by statistics. In the notorious Juke family of criminals there have been 11,000 descendants and not one but showed criminal tendencies or idiosyncrasy. In the Johnathan Edwards family of 1,300 descendants there have been college presidents and professors, 200 ministers and a long line of prominent men. Aaron Burr, the only bad example among them.

Prof. Shannon showed how God visited the iniquities of the fathers upon the children through the laws of nature and placed the personal responsibility upon the individual.

The whole nature of man, physical, mental, moral, spiritual, is all subject to heredity. It has been scientifically proven that anger, jealousy and kindred traits produce toxins through the blood and are transmitted. Great care is taken in animal and vegetable life to develop higher species, but little is given to the greatest need, of all, the development of the human race.

Charles Sable, 30 Cook St. Rochester, N. Y., says he recommends Foley Kidney Pills at every opportunity because they gave him prompt relief from a bad case of kidney trouble that had long bothered him. Such a recommendation, coming from Mr. Sable, is direct and convincing evidence of the great curative qualities of Foley Kidney Pills. Shugars and Tanner.
